PARENT TEACHER ASSOCIATION (PTA) of GJA

INTRODUCTION

Parent's teacher association (PTA) of Grameen Jyoti Academy is an association of parents and teachers that has been formed to get parents involved in their children's academics as well as to help and reform the school systems. The main focus of the PTA is to work for the prosperity of the school going children. PTAs provide parents and teachers a mutual platform to work for the betterment of the school, teaching and everything that influences the physical and intellectual growth of a child. PTA meeting helps both parents and teachers to involve and to resolve any issues amicably faced by the school administration.

ROLE P.T.A.

The roles of PTA are to be focused on the following points keeping in mind for the smooth functioning of the school.

- PTA will conduct meeting on scheduled duties with all the members inviting well in time
- The school administration will make the report cards and other content ready which are required in the PTA meeting.
- On its meeting, begin by discussing positive aspect of the child's experiences in your class and also end up with student's strengths.
- Suggestions will be invited from the PTA in setting our goals for the child and how each student's progress is determined.
- Talk about Childs work. Discuss the child's performance in each subject.
- Listen to parents; it will help you understand what they want for their child.
- Close the meeting by setting goals for the child's future work.
- Suggest strategies for achieving those goals.

NEED OF PTA

Need for conduction of PTA meetings in the schools are many and some of them are listed below:-

- PTA brings parents into the equation that provides a fresh insight on the improvements that are needed.
- It improves home-school communication by providing two-way communication between parents and teachers.
- PTA is needed to rise funding which provides students with extra facilities.
- It is also required to improve parental relationships and teachers get to know about student's home life.
- It provides opportunity to talk about academic performance of each student.
- PTA can be a way to suggest change at their Childs school.

IMPORTANCE OF PTA

Importances of PTA meetings in schools are given below:-

- It provides opportunity to open two ways communication for the welfare of the child.
- Provides great opportunity for the parents and teachers to develop a healthy relationship and holistic development of child.
- PTA is a great platform for parents and teachers to share insight and information for the development of child.
- It helps educators to know Childs weakness and strengths from parent's observation.
- Helps to know and to work for the modification of student's performance and to ensure best academics and non-academic performance of the child.
- PTA hosts fun, educational clubs, programs, and events for families.

AIMS OF PTA

Major aims and objectives of conducting PTA in GJA are as follows:-

- To bring home and school in close contact.
- To promote the welfare of children and youth in home, society, and community.
- To raise the standards of home life of the child.
- To secure adequate laws for the care and protection of the children and youth.
- To encourage parents to become more involved with children's school.
- To provide support for school events and others important occasions.

ROLE OF TEACHER

Any parent teacher association cannot be considered good unless there is full cooperation from both sides. For PTA, teachers of GJA have the following roles:

- To inform the parents regarding entire activities of the school and related activities from time to time. -To convey the examination result of students to their parents.
- If any fund is being collected for any kind of purpose in school, teacher should make parents aware regarding this subject.
- To discuss with parents about students and help in finding problems of students.
- If any student is absent for a long period of time, teacher should contact his parents and try know the reason behind it.
- Notifying parents if homework or project work assigned by the school to students is continuously incomplete.
- If school wants to take students for any excursion or trip for any purpose, teacher should inform parents regarding this subject.

RESPONSIBILITIES OF PARENTS

Before coming to the school, basic education of child is given in the house only by the parents. In complete development of the student, parent's contribution is very important.

Parents of GJA students have the following role:-

- Parents should continuously monitor children's activities.
- Parents should continuously discuss the student's home life with teacher.
- Parents should always get involved in PTA meetings.
- Parents should always motivate student to participate in school's various activities.
- Behaviour of the student in the school should be discussed with teacher.
- Getting the students examination results on time and consulting the teacher on this subject.
- Observing the students' interest in education and school.
- Parent should be in constant contact with the teacher and should keep complete information about school and the students.

CONCLUSION

- Parent teacher association (PTA) of GJA is very important for student and a strong support to school for its smooth functioning.
- Complete development of student is assured through this association and tries to meet his needs. This association not only fulfils the needs of students but also of teachers and parents.
- Unless teachers know their students well and are knowledgeable about their achievements, they cannot be confident that their teaching is meeting the learning needs of their students. Therefore, parent teacher association helps in complete development of a child and lets teacher and parents understand their children's needs and progress completely.
